

Financial Aid/Scholarship Application

Four Valleys Community School believes all community members deserve the opportunity to participate in our programs and classes regardless of economic status. FVCS Board allocates funds each year toward a scholarship program. In addition the **Girdwood Forest Fair Committee** has donated funds to be used during 2018 to provide financial aid to participate in FVCS classes and programs. Your child may qualify to have the class fee reduced or waived. Fee waiver or reduction will be dependent on available funds. Applicants will be notified within 10 business days.

Scholarships are confidential. They are available for most classes for children with need. See the Federal Income Chart/Eligibility Guidelines below. Priority is given to 50/50 matches and/or those who can volunteer their time assisting FVCS with classes or events. Scholarship limits based on available funds per session.
